Another court accepted closure report last year

▶Continued From P 1

On June 15, 2023, police filed a chargesheet against Singh under sections 354 (assault or criminal force to a woman with intent to outrage her modesty), 354A (sexual harassment, including sexually coloured remarks), 354D (stalking) and 506(1) (criminal intimidation) of the IPC. Tomar was booked under Section 109 (abetment).

On May 10, 2024, the trial court framed charges of sexual harassment and outraging the modesty of women against Singh in connection with the complaints of five women wrestlers, while discharging him in the complaint of the sixth wrestler. Tomar was charged under section 506(1) for alleged criminal intimidation in connection with one complainant and discharged from the remaining allegations. In May last year, another Delhi court accepted a closure report filed by Delhi Police in the complaint of a wrestler who was a minor when she made the allegations, after police said they found "no corroborative evidence".

During the in-camera trial, the defence, led by advocates Rajiv Mohan, Rishabh Bhati and Rehan Khan, argued that the complainants repeatedly changed their statements by altering the dates and locations of the alleged incidents.

Samyukt Kisan Morcha to restart protests from Nov 26

Times News Network

Samyukt Kisan Morcha (SKM) announced on Monday that it would restart protests at 100 locations across India, including Delhi,

New Delhi: Emboldened by the success of student protests here at Jantar Mantar, Samyukt Kisan Morcha (SKM)—the umbrella organisation of farmer groups involved in the anti-farm laws agitation five years ago—on Monday announced that it would restart protests at 100 locations, including Delhi, across India from Nov 26.

The protests will demand a law guaranteeing minimum support price (MSP), repeal of all free trade agreements, including the India-US FTA currently under negotiations and a comprehensive loan waiver to address rural indebtedness.

SKM's demand list includes four other demands: the scrapping of four labour codes; minimum wage of Rs. 31,000 for all workers as well as restoration of the previous rural job guarantee scheme; withdrawal of Electricity Privatisation Bill 2025, Seed Bill 2025 and NFSA Amendment Bill; and no forceful land acquisition.

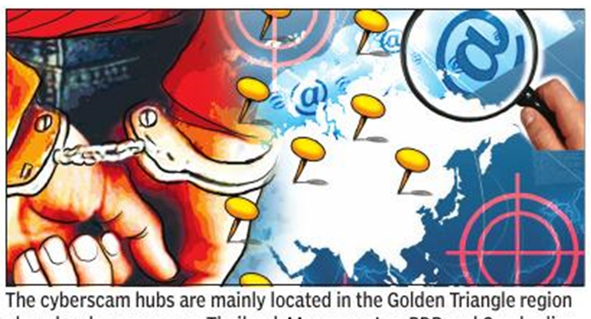
"The protest will not be called off until all seven principal demands are accepted," said P Krishnaprasad of All India Kisan Sabha (AIKS), a constituent of SKM.

"The decisive mass struggle, coordinated with joint platforms and organisations of workers, farmers, agricultural workers, students, youth, women and all other social sections bearing the brunt of corporate attack under NDA regime, will advance based on worker-peasant unity to end the prolonged agrarian crisis and labour exploitation, and to build a modern democratic, federal and secular India," he said.

Indians in Golden Triangle forced to conduct scams

Cybercrime Hubs Controlled By Chinese Nationals: APG

Times News Network



The cyberscam hubs are mainly located in the Golden Triangle region along border areas near Thailand, Myanmar, Lao PDR and Cambodia

New Delhi: In its latest report on cybercrime hubs in Myanmar, Lao PDR and Cambodia, the Asia/Pacific Group on Money Laundering (APG) has revealed that Indian nationals are among victims of several countries trafficked to these cyber hubs and kept as slaves, being trained to operate scams pertaining to investment, romance, impersonation, social media and gaming.

These cybercrime hubs are controlled by Chinese nationals who also tortured these "slaves" through coercion methods, including electric shock, dark room and isolation room confinement, physical abuse, fines and mental torture.

The cyberscam hubs are mainly located in the Golden Triangle region along border areas between Thailand, Myanmar, Lao PDR and Cambodia, besides the northern border of Myanmar with China and the Philippines. Some of them operated from special economic zones.

An inter-governmental body like Financial Action Task Force, the Sydney-based APG initiated this study led by Indonesia and UN Office on Drugs and Crime, with a team comprising 24 experts from govts of Australia, Bangladesh, China, India, Indonesia, Malaysia, Myanmar, Solomon Islands, Singapore, Vietnam and UAE.

The study examined the emerging nexus between human trafficking and cyber-enabled financial crime, drawing upon the debriefings of 15 Indian nationals repatriated from Myanmar, Lao PDR and Cambodia between 2023 and 2024. The individuals were recruited under the pretext of being given high-paying customer-service or IT jobs, transported through Thailand and then coerced to work in criminal "scam compounds" operated by transnational syndicates, it said.

"Victims were mostly young men (20-35 age group) from nine Indian states, recruited via social media or personal networks, who paid upfront fees (Rs 50-70,000). Compounds were run by Chinese-speaking syndicates, with multi-national workforces and strict control (passport confiscation, physical/psychological abuse)," the report has said.

Less than 5% of NPS subscribers opt for unified pension

New Delhi: For all the noise demanding an assurance on pension, Unified Pension Scheme (UPS) for central govt employees has received low traction.

Data shared with Parliament Monday estimated the number of govt employees, including those who joined recently, at 1,18,195 on July 19 — which is 4.3% of the 27.6 lakh central govt number subscribers of National Pension Trust at the end of June.

For long govt employees, at Centre as well as in states, were demanding an assurance that the pension payout be at least 50% of their last salary — something that is the norm under the old pension scheme, which was discontinued in 2004 when NPS, which has contribution from the employee, kicked in.

Several opposition-governed states stopped contributing to NPS and wanted to opt out, prompting Centre to put in place UPS from April 2025. But the response to the migration option remained tepid and forced Centre to extend the date up to Nov 30, 2025. TNN

Manjalpur seat of Guj back in BJP kitty, but victory margin narrows

Times News Network

Vadodara: BJP retained the Manjalpur assembly seat on Monday with first-time candidate Satish Patel defeating Congress veteran Bhikha Rabari by 30,630 votes, comfortably holding the party's urban stronghold but with a significantly lower margin than that recorded by late MLA Yogesh Patel in the 2022 election.

The counting of votes, conducted in 19 rounds at Bhavan's School in Manjalpur, saw Satish Patel secure 55,481 valid votes against Rabari's 24,851. A total of 80,332 valid votes were polled, while 2,247 electors opted for NOTA and 12 votes were rejected, according to the official declaration of results.

As BJP maintained its lead throughout the counting process, party workers celebrated outside the counting centre by bursting crackers and raising slogans.

Thanking the electorate, Satish Patel said the verdict reaffirmed the constituency's faith in BJP. "Manjalpur has remained a BJP stronghold and the results have reflected that the kind of love people had for the late Yogesh Kaka is the same that they have for me and the BJP."

The bypoll was necessitated by the death of eight-time MLA Yogesh Patel in June. BJP fielded Satish Patel, a cooperative sector functionary and former Vadodara district BJP president, while Congress nominated senior leader and former minister Bhikha Rabari.

The result came against the backdrop of an unusually low voter turnout. The bypoll recorded around 37.5% turnout, substantially lower than the 60.15% recorded in the 2022 election. While BJP retained the seat, its victory margin narrowed considerably. In 2022, Yogesh Patel had won by 1,00,754 votes, whereas Satish Patel's winning margin was 30,630 votes. In vote-share terms, BJP's lead over Congress reduced from about 72 percentage points in 2022 to 38.14 percentage points in the bypoll.

Rabari alleged that the election was not conducted in a fair manner. Alleging violations of Model Code of Conduct, he said senior BJP functionaries had campaigned aggressively in the constituency during the final phase of polling and that money and liquor were distributed to influence voters. He also alleged that some officials acted in favour of the ruling party and that Congress workers were assaulted.

Cong retains MP assembly seat; BJP vows action as Mishra's replacement loses

Datia: The Congress on Monday retained the Datia assembly seat, with Ghanshyam Singh trouncing nearest rival Ashutosh Tiwari of the BJP by 6,016 votes in the bypoll held amid students' stir and differences in the saffron camp after senior leader Narottam Mishra was denied a ticket.

Congress leaders linked the victory to "awakening" among students and other sections of the country, calling it the "beginning of the end of the BJP rule".

At the end of all 15 rounds of counting, Singh secured 66,757 votes, while Tiwari polled 60,741 votes. Azad Samaj Party candidate Damodar Yadav finished third by bagging 22,527 votes, District Election Officer and Datia District Magistrate Swapnil Wankhade told PTI.

A total of 21 candidates were in the fray, including Ghanshyam Singh and Ashutosh Tiwari.

At one point, Singh's lead of 12,607 votes over Tiwari appeared unassailable, but the BJP nominee managed to close the gap to an extent in the last rounds. PTI
