

KUMBH PREP | Mobile DEOCs, real-time weather alerts and digital coordination planned for safer pilgrim management

Nashik to set up high-tech disaster response system

FPJ News Service
NASHIK

In view of the upcoming Simhastha Kumbh Mela, the increasing frequency and intensity of natural disasters, and the challenges posed by climate change, Nashik district is set to establish a technology-driven disaster management system.

Key decisions were taken during a high-level meeting chaired by District Collector Ayush Prasad, attended by representatives of MITRA, the World Bank, and the State Disaster Management and Rehabilitation Department. The meeting focused on setting up a state-of-the-art District Emergency Operations Centre (DEOC), along with Mobile DEOCs, Field DEOCs, a digital coordination system, and a smart

disaster management framework for the Kumbh Mela.

Under MITRA's Maharashtra Resilience and Disaster Project (MRDP), a modern DEOC will be established in Nashik, with completion targeted for December 2026. The centre will enable faster, coordinated, and technology-driven decision-making during emergencies by integrating multiple government departments.

To strengthen disaster preparedness, the administration has decided to improve interdepartmental coordination, develop Standard Operating Procedures (SOPs) for DEOC operations, and integrate advanced digital platforms such as IDRN, ICT and IEMS. This will facilitate real-time management of manpower, equipment,

resources and emergency response.

A Mobile DEOC will be deployed to support on-site decision-making during emergencies, while a Field DEOC will be established at Trimbakeshwar to ensure a rapid local response during the Simhastha Kumbh Mela.

The meeting also emphasised the deployment of advanced scientific instruments to monitor seismic activity in the talukas of Surgana, Dindori, Kalwan and Peth. Discussions were also held on promoting the use of earthquake-resistant local construction materials under the Pradhan Mantri Awas Yojana.

To ensure the safety of millions of pilgrims during the Kumbh Mela, the administration will integrate the India Meteorological Department's

(IMD) weather forecasting API into its disaster management system. Real-time weather updates will strengthen crowd management, emergency planning and disaster preparedness.

District Collector Ayush Prasad said, "The district administration is committed to strengthening Nashik's disaster management system through modern technology, effective coordination and proactive preparedness. Our highest priority is to minimise the loss of life and property during emergencies."

The meeting was attended by Anup Karanth (World Bank), Hosalikar and Shrinath (MITRA PMU), Kanchan Sabnis, Ankit Mohabansi, Rohit Kusalkar, Amalnath Kavuluru (PMTc R&R), and officials from various departments.

Raj: Why Gujarat contractors for Kumbh?

FPJ News Service
NASHIK

Maharashtra Navnirman Sena (MNS) chief Raj Thackeray on Friday alleged that several contractors from Gujarat were being brought in for works related to the upcoming Nashik Kumbh Mela, questioning why local contractors from Maharashtra were being overlooked.

"Were no contractors born in Maharashtra?" Thackeray asked, taking a swipe at the ruling dispensation. He also criticised the manner in which preparations for the Kumbh Mela were being carried out.

Speaking to the media during his two-day visit to Nashik, Thackeray launched a scathing attack on the state government over the city's poor road conditions, administrative functioning and large-scale tree felling.

"Contractors from Gujarat have been brought in for the Nashik Kumbh Mela. Everyone is concerned only about their respective commissions, not about the development of the city," he alleged.

Recalling the 2015 Kumbh Mela, Raj Thackeray said the infrastructure works were completed with minimal inconvenience to residents. "People noticed the quality only after completion. The focus was on efficient execution, not making money or the economics of the Kumbh," he said.

Fadnavis cracks whip on delayed Kumbh projects

FPJ News Service
NASHIK

With the dates for the upcoming Simhastha Kumbh Mela in Nashik now finalised, Chief Minister Devendra Fadnavis has directed all departments to complete works under the ₹34.732-crore development plan on schedule, maintaining quality and transparency. Warning that delays will not be tolerated, he instructed officials to accelerate implementation and put an end to the tendency to postpone projects.

The directions were issued during a review meeting on preparations for the Nashik Simhastha Kumbh Mela 2027, held at Sahyadri Guest House. Deputy Chief Minister Sunetra Ajit Pawar, Water Resources Minister Girish Mahajan, School Education Minister Dada Bhuse, Food and Drug Administration Minister Narhari Zirwal, MLAs Devyani Pharande, Seema Hiray, Rahul Dhikale, Saroj Ahire and Hiranam Khoskar, Nashik Mayor Himgauri Aher-Adke, Trimbakeshwar Municipal Council President Triveni Tungar, Chief Secretary Rajesh Agrawal and senior officials attended the meeting.

Fadnavis said the current pace of work was unsatisfactory and stressed that all departments must improve coordination and speed up execution. He directed that all decisions taken during the meeting be implemented

immediately and announced that another review meeting would be held after one month, by which time visible physical and qualitative progress should be achieved.

The CM emphasised that no project should be delayed due to poor coordination between departments. He instructed the Nashik Municipal Corporation (NMC) to expedite road repairs and pothole-filling works and warned that contractors failing to meet deadlines should face punitive action. He also directed Mahanagar Gas Limited to coordinate with the civic body and complete pending gas connection works on priority without causing inconvenience to citizens.

Detailed plans for managing an estimated 120 million devotees were presented, covering transportation, accommodation, sanitation, disaster management and digital infrastructure. Fadnavis directed authorities to accelerate the Nashik Ring Road, Sadhugram, railway station redevelopment, deployment of 4,500 special ST buses and the creation of extensive parking facilities.

Under the 'Digital Kumbh' initiative, the administration will deploy artificial intelligence, the 'Kumbhdut' AI assistant, digital twin technology, smart parking systems, missing-person tracking and an Integrated Command and Control Centre to strengthen crowd management and security.

The Chief Minister also reviewed plans to make the Kumbh Mela clean, green and plastic-free through the installation of thousands of temporary toilets, garbage bins and changing rooms, supported by a large sanitation workforce. Special disaster response teams, volunteers and modern technology will also be deployed.

To generate employment, local youth will receive skill development training in tourism, hospitality, healthcare and disaster management, while micro-entrepreneurs will be provided assistance to expand their businesses.

Fadnavis directed that land acquisition, the Ring Road, Sadhugram and other major infrastructure projects be completed by March 2027 and made operational by April 2027.

TCS Case: AIMIM's Mateen Patel nabbed for sheltering Nida Khan

FPJ News Service
NASHIK

Significant action has been taken in the case involving the alleged sexual harassment and forced religious conversion of female employees at the Tata Consultancy Services (TCS) office in Nashik. All India Majlis-e-Ittehadul Muslimeen (AIMIM) corporator Mateen Patel has been arrested in Chhatrapati Sambhajnagar for allegedly providing shelter to the prime accused, Nida Khan, at his residence.

A non-bailable warrant had been issued against Patel after he failed to appear in court despite being served with a summons. He was subsequently arrested by the Nashik Police. Earlier, the administration had demolished his alleged illegal constructions, including his residence and office, using bulldozers.

The Sessions Court granted bail to Khan in July. During the hearing on July 6, the Additional Sessions Court considered her health and the future of her unborn child, as she was five months pregnant. "No innocent unborn child should have to endure the hardships of prison or social stigma," the court observed.

The case involving allega-

tions of sexual harassment, offensive remarks, and pressure to convert under the guise of religious superiority at the Nashik TCS office came to light in March 2026. The investigation alleged that prime accused Raza Rafiq Memon mentally harassed the complainant, while Khan and other colleagues assisted him. Police have completed most of the investigation and filed a chargesheet. The court observed that there was no likelihood of the accused influencing witnesses or destroying evidence.

A Special Investigation Team (SIT) has been constituted to conduct a comprehensive probe into the matter. The SIT is investigating nine separate complaints, including allegations of sexual exploitation, outraging the modesty of women, hurting religious sentiments and mental harassment. TCS has suspended all employees suspected of involvement in the case.
