Vij has directed the Director General of Police (DGP) to constitute a Special Investigation Team (SIT) to probe the incident. Taking a strong stance against influential persons allegedly involved in illegal real estate activities, Vij said, "The land mafia has such a strong lobby that they don't let action be taken even after my written instructions to the officials".

On the issue of unauthorised colonies, Vij said he had written to the authorities concerned three times, asking them to take

construction site but failed to stop the work.

"If three Municipal Corporation officers or officials had also visited the site where the building was under construction, but did not stop its construction, they are also guilty and action would be taken against them too," he said.

The minister said an FIR had been registered in connection with the incident and assured that those found responsible would face action.

"We will not spare anyone

During Vij's visit to the hospitals, some people raised slogans demanding the arrest of the property dealer who is allegedly the owner of the under-construction building. Only a portion of the structure remained standing after a major part of the building collapsed on Sunday.

The incident occurred while workers were casting the concrete slab, or lintel, for the roof of the three-storey building, which reportedly belonged to an Ambala-based businessman-cum-property dealer, officials said.
