hectares and horticultural crops over 997.344 hectares, causing substantial losses to farmers.

The cyclone also damaged 78 houses, including one pucca house and four thatched houses that collapsed completely. One thatched house suffered severe damage, while five pucca houses and

67 thatched houses were partially damaged. Ten large animals died, and three cattle sheds were damaged.

Strong winds uprooted 484 trees across the district, disrupting road traffic. The authorities were taking steps to remove fallen trees and restore normal movement. The fishing sector also suffered considerable losses.

Three fishermen who had ventured into the sea went missing, while 68 boats and fishing nets were lost. Another 682 boats and nets were reported damaged. The damage included 459 nets and 261 boats, according to the preliminary assessment. Fish and shrimp culture ponds spread over 80 acres were also damaged, result-

ing in estimated losses of Rs 151 lakh in the fisheries sector.

The power infrastructure suffered extensive damage, with three substations, three 33 KV feeders and 30 11 KV feeders affected.

Around 80 11 KV poles, 68 low-tension poles and 11 33 KV poles were damaged or uprooted. Rural water supply works also suffered damage estimated at Rs 10 lakh.

The collector said 137 rehabilitation centres had been established across the district, while 20 personnel from the NDRF and SDRF were deployed for rescue and relief operations. A total of 55 boats were being used to assist people in affected areas.

So far, 5,192 people had been rescued from cyclone-hit areas and shifted to rehabilitation centres, where accommodation and other essential facilities were being provided. The administration had distributed 19,896 food packets and 19,802 drinking water packets to the affected people.

Strong winds reach 78 kmph in Polavaram district

STRONG winds triggered by Cyclone Arnab continued to affect Polavaram district, with wind speeds reaching 77.72 kmph, District Collector K Dinesh Kumar said on Wednesday. He warned that wind speeds could touch 80 kmph as rain-bearing clouds moved towards the district from East Godavari and Konaseema districts.

The Collector said strong winds were likely to continue until Thursday evening before gradually weakening. He directed officials to remain alert and expedite relief and restoration works, giving priority to road connectivity, damaged culverts and electricity supply.

According to the report received by 6 pm on Wednesday, the district recorded an average rainfall of 64.11 mm across 12 mandals. Rajavommangi received the highest rainfall of 145.2 mm, followed by Addateegala with 104.2 mm, Devipatnam with 95 mm and Gangavaram with 89.8 mm. Y Ramavaram

and Gutteda recorded 73.4 mm each, while Rampachodavaram received 56.4 mm. Of the 2,505 trees uprooted on roads across the district, 2,452 had been cleared. The Collector directed officials to deploy additional teams and machinery to remove the remaining trees and restore traffic movement at the earliest.

Two road obstructions and eight culvert cut-offs were reported. Of the eight affected culvert locations, six were in Rajavommangi and one in Devipatnam, while the remaining

location was also being addressed.

The cyclone also damaged 153 electricity poles, of which restoration work had been completed on 82. As many as 199 rehabilitation centres had been established across the 12 mandals. Officials were instructed to ensure that the centres were adequately equipped and provide assistance according to local requirements. The collector called for special attention to the safety of 2,452 pregnant women and 2,505 lactating mothers identified across the district.

Bapatla district police removing fallen trees on a road near Potharlanka on Wednesday

Uprooted trees, electric poles removed

NARESH NANDAM
BAPATLA

DISTRICT police have been working round-the-clock to help people during Cyclone Arnab. SP B Umamaheswar said that the cyclone crossed the coast near Kakinada at about two o'clock in the afternoon and moved towards the north. Though Bapatla district escaped major danger, the SP said the police patrolling will continue in the affected areas.

He said police worked closely with other departments under a pre-made plan, and staff responded quickly.

Police removed trees blown down by strong winds within minutes so traffic was not disturbed. He said they acted fast when electric poles fell on the roads.

SP Umamaheswar asked people not to panic.

He said people should follow police and government advice until the cyclone fully ends. They should not go near fallen electric poles.

They should not go to the beaches until an official announcement is made. They should also not try to enter fast-flowing water. The SP asked people in need of help to call the control room on 8333813228 or dial 112.

RAJYA Sabha MP Sana Sathish Babu visited several cyclone-affected areas in Dr BR Ambedkar Konaseema district on Wednesday and reviewed the damage caused by Cyclone Arnab.

The MP toured Allavaram, Gopayilanka, Godi, Bendemurlanka, Odalarevu, Komaragiri Patnam and Nakka Rameswaram to assess the ground situation and interact with affected residents.

He assured them of support and visited rehabilitation centres to review the facilities being provided to displaced families. At Odalarevu, Sathish Babu inspected around 200 fishing boats damaged by the cyclone and interacted with fishermen who suffered losses. He assured them that he would take up their grievances with the concerned authorities and strive to ensure that eligible fishermen received the necessary government assistance.

Paddy crop inundated in 6,199 hectares

VL SYAMSUNDAR
GUNTUR

CYCLONIC storm did not have a major impact on Guntur and Palnadu districts, as normal rain occurred at various places.

However, rain water inundated paddy, black gram and cotton fields in Guntur district. There would be no loss due to rains in paddy and cotton crops. If the rain water recedes, the paddy crop will recover. Rain during the last 24 hours is useful for all the crops in Palnadu district. Rain is useful to the withering crops due

to lack of sufficient water. Normal life remains unaffected in Guntur city.

According to preliminary reports, paddy crop inundated in 6,199 hectares in Duggirala, Tenali, Mangalagiri and Chebrolu mandals in Guntur district.

Cotton plantations inundated 719 hectares in Tulluru and Guntur mandals. Rain water inundated several low-lying areas including Kankaragunta, Brodipet, Arundalpet, Ramakrishnapuram, YSR Colony, Chuttugunta roads. Meanwhile, joint collector Ashutosh Srivasta visited rainwater at Lam Bridge, and Kon-

daveetivagu and alerted the officers.

He directed officials to keep adequate staff, JCBs and nala-cleaning machines readily available to ensure that there were no blockages in drains. Special attention should be paid to waterlogging-prone areas, particularly ITC Road, JKC College Road and Pattabhipuram, to prevent sewage overflow.

He directed the concerned SSIs, SAs and ward sanitation secretaries to continuously inspect their respective secretariat limits and take prompt measures to clear drain blockages.

Polling for ZPTC, MPTC elections on Nov 5

VL SYAMSUNDAR
GUNTUR

DISTRICT collector and District Election Officer CM Sai Kanth Varma announced that polling for the Zilla Parishad Territorial Constituency and Mandal Parishad Territorial Constituency elections will be held on November 5, for which counting will be held on November 7.

In a statement, he said the State Election Commission had released the notification

for the MPTC and ZPTC elections. Polling will be held from 7 am to 5 pm, while counting of votes will commence at 8 am on November 7.

He appealed to voters to take note of the revised election schedule announced by the State Election Commission and exercise their right to vote on November 5. He stated that all necessary steps should be taken to ensure that the ZPTC and MPTC elections in the district were conducted peacefully and transparently.

Anitha reviews cyclone damage in Konaseema

Home minister V Anitha reviews cyclone damage with officials and public representatives at Amalapuram on Wednesday

centres at Vasalatippa village in Katrenikona mandal and reviewed the arrangements made for people affected by the cyclone. The home minister said the government would extend full support to cyclone

victims and that relief and restoration measures were being expedited under the supervision of the Chief Minister. She said the cyclone brought strong winds of 140-160 kmph and the district recorded an average rainfall of 94

mm. Two people died in cyclone-related incidents, while around 8,000 electricity poles were reportedly damaged across the affected areas.

She said efforts were under way to restore power supply in urban areas by

Thursday evening and in rural areas by Friday morning. Around 1,400 trees were uprooted in Amalapuram Municipality, prompting authorities to take up clearance operations with the support of NDRF, SDRF, police and fire services personnel.

Preliminary estimates indicated damage to paddy crops over 1.18 lakh acres, besides heavy losses to coconut and banana plantations. Crop damage assessment was scheduled to begin on Thursday. Around 450 fishing boats along the coast, including Uppada, were also estimated to have been damaged.

Anitha assured farmers and fishermen that the government would support them and urged people to follow official advisories and cooperate with relief teams.
