Noida & Gurugram step up border checks in run-up to BS-VI vehicle curbs in Delhi

Sakshi Chand, Abhimanyu Hazarika & Drishti Jain
New Delhi, Gurugram, Noida, October 31

WITH RESTRICTIONS on non-BS-VI petrol and diesel vehicles entering Delhi coming into force on Sunday, Gurugram and Noida have deployed special teams at key border points to screen vehicles and regulate their movement.

In Delhi, enforcement will be carried out by joint teams of the Traffic Police and Transport department, with support from the local police. Border checks will also use automatic number plate recognition (ANPR) and radio frequency identification (RFID) technology.

Identifying vehicles that do not meet the prescribed emission standards could, however, pose a challenge for traffic personnel. While some newer SUVs have distinct designs that help differentiate BS-VI models from their BS-IV counterparts, the same may not be true of sedans, said officials.

To address this, the challan application used by the Delhi Traffic Police is linked to the Vahan database, which provides details of vehicle makes and models. Officials said this would help personnel identify vehicles and determine whether they comply with the required emission standards.

In Delhi, enforcement will be carried out by joint teams of the Traffic Police and Transport department. PRAVEEN KUMAR

The police will also issue challans through cameras, as it would not be possible to deploy personnel at every entry point into the city, said officials.

In Gurugram, the Traffic Police has deployed special inspection teams at five Haryana-Delhi border routes – Sirhaul toll, Kapashera, Bajghera, Aya Nagar and Gwal Pahari – to screen vehicles headed towards the Capital.

"Officers stationed at these checkpoints will verify BS-VI emission compliance, registration credentials and valid Pollution Under Control Certificates (PUCC). The roadside inspections will focus primarily on commercial vehicles, interstate buses and heavy goods carriers registered outside Delhi," Traffic Police spokesperson Vikas Soni said.

The restrictions will remain in force until January 31, 2027. Only BS-VI-compliant vehicles, CNG vehicles and electric vehicles will be permitted entry into Delhi. Commercial freight carriers whose destination is elsewhere have been advised to use peripheral expressways.

Officials said traffic authorities have asked motorists and transport operators to verify paperwork of their vehicles before approaching the borders.

In Noida, the Gautam Buddha Nagar Traffic Police said vehicles registered outside Delhi, including passenger buses and trucks, would not be allowed to enter the Capital unless they met the prescribed emission standards.

"Vehicles travelling through Delhi to other destinations have been advised to take the Noida-Greater Noida Expressway or Yamuna Expressway to Zero Point, proceed via Pari Chowk, Kasna and Sirsa, and use the Eastern Peripheral Expressway to reach their destinations," it added.

A senior police officer said petrol vehicles more than 15 years old and diesel vehicles more than 10 years old were already prohibited from operating on public roads in Gautam Buddha Nagar under the existing Graded Response Action Plan (GRAP) protocol. "Drivers and vehicle owners will be held responsible," the officer said.

An officer from the Regional Transport Office said BS-IV vehicles registered in Noida could operate within the district, while those registered in Delhi could operate in the Capital.

"Five of our teams will be deployed alongside the Noida Traffic Police at the borders. BS-I, BS-II and BS-III vehicles, classified as end-of-life vehicles, were already being checked and their movement restricted within Gautam Buddha Nagar," the officer added.

A police officer said round-the-clock checks will be conducted at five locations – Chilla border, Delhi-Noida Direct (DND) Flyway, Kalindi Kunj, Pari Chowk and Zero Point.

'Those who regard Jinnah as their ideal can never be Patel's followers': Yogi

Says attempts being made to undermine national unity and constitutional institutions

Express News Service
Lucknow, October 31

IN A veiled attack on the Congress, Chief Minister Yogi Adityanath on Saturday said those who regarded Muhammad Ali Jinnah as an ideal could not be followers of Sardar Vallabhbhai Patel.

Speaking at an event to mark Patel's birth anniversary, Adityanath alleged that attempts were being made to challenge national unity and undermine constitutional institutions. "Everyone must collectively confront these challenges," he said.

"Only those who place India's unity and security above everything else can be true followers of Iron Man. Those who regard Jinnah as an ideal and seek to divide society cannot be true followers of Vallabhbhai Patel," he said.

The chief minister also criticised former prime minister Jawaharlal Nehru over the Kashmir issue and Article 370. He said Nehru had kept the issue under his control when tribal invaders backed by Pakistan attacked the region. A part of Kashmir, he said, continued to remain under Pakistan's occupation, while Hindus, Buddhists, Sikhs and Jains were massacred there and their population reduced to negligible numbers.

Adityanath said Nehru later implemented Article 370 in the part of Kashmir that remained with India, despite opposition from B R Ambedkar. "Congress committed this grave mistake," he said.

He credited Prime Minister Narendra Modi and Union Home Minister Amit Shah with abrogating Article 370 and integrating Jammu and Kashmir with the rest of the country. He said there would no longer be two sets of laws in India.

At the event, Adityanath also launched the Sardar Vallabhbhai Patel Kaushal Prashikshan Evam Rozgar Kshetra Vikas Yojana and announced that the state would set up Sardar Vallabhbhai Patel Skill and Employment Zones in all 75 districts.

In the first phase, the process of setting up centres has begun in Gorakhpur, Lucknow, Kanpur, Jhansi and Gautam Buddh Nagar. The scheme will subsequently be expanded to all 18 divisional headquarters and then to every district.

The centres will bring youth registration, skill training based on individual interests and abilities, and employment placement under one roof.

"If a young person has passed high school and wants to work, they will be registered at the centre. They will receive training based on their interests and will then be placed in an institution, factory or another sector," Adityanath said.

He added that those seeking jobs abroad would receive language training and skills suited to the requirements of the destination country. A person trained in nursing and seeking employment in Japan or Germany, for instance, would be taught the respective language and trained according to local requirements. The concerned embassy would help facilitate employment, he said. The centres would also be open to older people seeking jobs.

Adityanath said memorandums of understanding had been signed with institutions and companies, including Tata Indian Institute of Skills, Ashok Leyland, BBC Group, PTC, CIPET, the Asian Development Bank, Minda and Avaada. Young people would benefit from their expertise and technology, he said.

Deputy Chief Minister Brajesh Pathak was also present at the event.

Delhi to Agra in 59 minutes: PM okays north bullet train corridor

Press Trust of India
Varanasi, October 31

RAILWAY MINISTER Ashwini Vaishnaw announced on Saturday that Prime Minister Narendra Modi has approved the north corridor of the bullet train project.

Vaishnaw emphasised that the concept of the construction work for the bullet train, from pillar to girder, will be made in India. "The construction is progressing rapidly. It will be fully Make in India, built by youth and welders of India," he said.

Speaking before flagging off the new Vande Bharat Sleeper Express services between Varanasi and New Delhi from Varanasi, Vaishnaw said, "The PM approved the north corridor of the bullet train, which will change the lives of many. The vision for the bullet train shared by the prime minister will greatly benefit the youth, the middle-income group, and artisans in small-scale industries. People will remember Prime Minister Modi for the next 100 years for this initiative." He detailed the north corridor's route, which will connect Delhi, Agra, Kanpur, Lucknow, Ayodhya, Varanasi, Prayagraj, Patna, Siliguri, and extend to Guwahati. According to Vaishnaw, travel times will be significantly reduced: the journey from Delhi to Kanpur will take 1 hour and 45 minutes, from Delhi to Agra will take 59 minutes, and from Delhi to Lucknow will take 2 hours and 12 minutes. Additionally, the trip from Lucknow to Varanasi will take 1 hour and 21 minutes, while Varanasi to Delhi will take 3 hours and 35 minutes.

'Home Minister should look into why women face so much injustice in UP': Akhilesh hit out at Shah

Press Trust of India
Lucknow, October 31

SAMAJWADI PARTY president Akhilesh Yadav on Saturday questioned Union Home Minister Amit Shah over crimes against women and Dalits in Uttar Pradesh, while party MP Awadhesh Prasad said the BJP had lost ground in the state, citing its recent electoral setbacks.

"Home Minister should look into why women face so much injustice in Uttar Pradesh, why the state witnesses so many murders and why people from the Dalit community are among the worst affected," Yadav said.

Reacting to Shah's assertion that the BJP government in UP was firmly established and could not be dislodged, Prasad said the party's political footing had already weakened.

Shah had on Friday compared the BJP government's position in the state to "Angad's foot", saying nobody could move it, and expressed confidence that the party would return to power.

"The foot has already been uprooted," Prasad told PTI Videos. He said the BJP had failed to retain several seats in the recent Uttar Pradesh Legislative Council elections despite making every effort.

He cited the party's defeats in Varanasi, from where Prime Minister Narendra Modi has been elected, as well as in Lucknow and Agra. He also referred to its defeat in Prayagraj, a prominent educational centre.

He also cited the 2024 Lok Sabha elections, saying the BJP had failed to achieve its target of winning all 80 seats in Uttar Pradesh. "Under Akhilesh Yadav, the SP won 37 seats, while the Congress won six. The opposition INDIA bloc secured 43 of the state's 80 seats," he said. Shah had on Friday announced the BJP would implement the Uniform Civil Code (UCC) in UP if voted to power again. He had also targeted the SP leadership over the Ram temple issue, referring to the police firing on kar sevaks in Ayodhya on October 30, 1990, and saying the SP had ordered firing on Ram devotees while BJP had built Ram temple.

Cop accused of raping girl frames her father in false sexual assault case; held

Press Trust of India
Mau, October 31

A POLICE constable and three others have been arrested for allegedly conspiring to frame the father of a minor girl, who had earlier accused the cop of rape, in a false sexual assault case, police said on Saturday.

The arrests followed an investigation into a case registered on July 23 against the girl's father on a woman's complaint that he had raped her on the pretext of providing her a job and threatened her to remain silent, Superintendent of Police Sarvesh Kumar Mishra said.

The case was registered at Kotwali Nagar police station.

Police said analysis of call detail records of suspicious mobile numbers and other evidence revealed an alleged conspiracy behind the complaint.

The arrestees have been identified as constable Vishal Bharti, posted at Mau police lines, Sakina Khatoon, Nisar alias Nesar Ahmad and Zoya alias Gul Nihar.

According to police, the conspiracy was linked to a rape case registered in 2023 against Bharti, who was then posted at Muhammadabad Gohna police station.

The minor girl had accused Bharti of raping her on the pretext of marriage and circulating her intimate videos. A case was registered under relevant provisions, including the Protection of Children from Sexual Offences (POCSO) Act and the Information Technology Act, police said.

Bharti was jailed for around seven months in connection with the case, which is currently being heard by a sessions court in Mau.

Police alleged that, after apprehending conviction in the earlier case, Bharti conspired with the three other accused persons to get a fresh rape case registered against the girl's father by offering money to the woman complainant.

The alleged motive was to influence the ongoing trial in the earlier case and put pressure on the minor girl's family, police said. All four accused were arrested near Sonidhapa ground around 5.30 am on Saturday. Police said the allegations against the girl's father were found to be false during the investigation, and he had been wrongly implicated.
